New Business

Proposed changes to the Huntington PTO Bylaws were presented by Dorothy. The proposal is as follows: In Article VII Section 2 under "Requirements for Offices of the President and Treasurer" the bylaws currently state: "it will be required that all nominees for the office of president or treasurer have held another elected Executive Board position for at least one year prior to being nominated and holding the office of either president or treasurer". The proposed change is to change the wording from "Required" to "Recommended". Vote will be had to approve or deny these changes at the November meeting.

Admin Report

Dan Killenbec: There was an accident during the prior weekend to this meeting where the front fence was damaged. Police are investigating. An online threat was made that prompted an alert to be sent to families; this was not Huntington specific and they do not believe there is anything to be concerned about. Currently 920 students enrolled at Huntington. Attendance is up.

Family Engagement

Title 1 completed and submitted. October is Hispanic Heritage Month. Starting in November, child care will be available for PTO meetings. SPC needs an alternate rep from Huntington. Stephanie Bush volunteered to be alternate.
